Hello [REDACTED],

I read to my surprise about the possibility of losing the Stromness squash courts to weightlifting.

Integral to the 2025 squash competition was having the Stromness courts for practice and training.

I have emailed [REDACTED] and [REDACTED] and they confirmed this.

We would like therefore to register a complaint against the change of use.

I am not sure exactly who to send our comments to. Is the facility council owned?

Can you help?

Regards,

[REDACTED]
