

Item: 10

Development and Infrastructure Committee: 9 November 2022.

Inter-Island Ferry Services – Proposed Summer 2022 Timetables.

Report by Interim Executive Director of Finance, Regulatory, Marine and Transportation Services.

1. Purpose of Report

To consider the proposed inter-island ferry services timetables for operation during summer 2022.

2. Recommendations

The Committee is invited to note:

2.1.

That the inter-island ferry services timetables for summer 2022 are scheduled to operate from 8 May to 27 September 2022 inclusive.

2.2.

That draft timetables in respect of ferry services to be operated by Orkney Ferries Limited during summer 2022 were presented to the Ferry Services Consultative Forum for consideration on 25 August 2021.

2.3.

That, on 28 October 2021, the proposed timetables, together with feedback from the Ferry Services Consultative Forum, were considered by the Board of Orkney Ferries Limited and recommended to the Council for implementation.

2.4.

That the proposed timetables for summer 2022, attached as Appendix 1 to this report, remain consistent with those operated in previous years.

2.5.

That, in advance of the Council's budget setting process for 2022/23 being concluded, any decision on the proposed Orkney Ferries' timetables for summer 2022 will be subject to an adequate service revenue budget being established.

It is recommended:

2.6.

That, subject to an adequate service revenue budget being established for 2022/23, the timetables in respect of ferry services to be operated by Orkney Ferries Limited during summer 2022, attached as Appendix 1 to this report, be approved.

3. Background

3.1.

In accordance with the Service Level Agreements entered into by Orkney Ferries Limited and the Council, a recommendation from the Board of Orkney Ferries must be made via the Head of Marine Services and Transportation in order for the winter and summer timetable periods to be approved by this Committee.

3.2.

The six Outer North Isles Community Councils each appoint a Transport Representative to represent their respective communities on the Inter-Isles Ferry Service Consultative Forum.

4. Ferry Services Consultative Forum

4.1.

The draft timetables for summer 2022 were considered by the Ferry Services Consultative Forum on 25 August 2021.

4.2.

The Stronsay Community Council Transport Representative had queried if the summer timetable could be amended to take out the overnight stays as operated during COVID-19. It was noted that this would have an impact on the timetable for the rest of the Outer North Isles and therefore further discussion and consideration would be required. The Ferry Services Manager outlined the implications to the timetable and the impact to communities. Following discussions, it was agreed to keep the status quo Outer North Isles timetable in operation during summer 2022.

4.3.

The Chair of Rousay, Egilsay, Wyre and Gairsay Community Council made a request for MV Shapinsay to be used on the route due to the capacity constraints currently experienced. This request was not supported by the Transport Representative from Shapinsay, noting that MV Thorsvoe was not a suitable replacement vessel on the Shapinsay route.

4.4.

As the timetables have remained consistent over the past few years, the Community Council Transport Representatives had no further comments or requests to alter the proposed timetables for summer 2022.

4.5.

At the Ferry Forum meeting, it was noted that the summer 2022 timetables may be subject to change should the COVID-19 pandemic affect operations. For example, if crew are unable to stay on board the vessel, then the Outer North Isles timetable would revert to the winter+ timetable which had operated during summer 2021.

5. Proposed Timetables

5.1.

The inter-island ferry services timetables for summer 2022 are scheduled to operate from 8 May to 27 September 2022.

5.2.

On 28 October 2021, the proposed timetables, together with feedback from the Ferry Services Consultative Forum, were considered by the Board of Orkney Ferries Limited and recommended to the Council for implementation.

5.3.

The proposed timetables, attached as Appendix 1 to this report, remain consistent with those operated in previous years and are therefore recommended for approval.

6. Corporate Governance

This report relates to the Council complying with governance and procedural issues and therefore does not directly support and contribute to improved outcomes for communities as outlined in the Council Plan and the Local Outcomes Improvement Plan.

7. Financial Implications

7.1.

The proposed timetables, attached at Appendix 1, represent a continuation of the existing level of service provision.

7.2.

The revenue budget for the current financial year, 2021/22, stands at £12,612,500 after allowing for specific grant funding received from Scottish Government of £7,855,000, and gives an indication of the resources needed to maintain this level of service.

7.3.

In advance of a service budget being established as part of the Council's annual budget setting process for financial year 2022/23, the level of ferry service provision for next financial year is subject to an adequate budget being made available for that purpose.

8. Legal Aspects

8.1.

Section 153 (2) of the Local Government (Scotland) Act 1973 empowers the Council to “acquire, provide, maintain, improve and operate any ferry situated wholly or partly within their area”.

8.2.

Orkney Ferries Limited operates the ferry services on behalf of Orkney Islands Council under Service Level Agreements dated 30 May 2008.

8.3.

The Service Level Agreements state that the timetables for the summer period should be recommended by the Company to the Council’s Development and Infrastructure Committee for approval.

8.4.

The Service Level Agreements state that Orkney Ferries Limited will operate the “Approved Services” and in return for funding from the Council. The definition of “Approved Services” covers inter-island ferry services as approved by the Council.
