

2 July 2021

Just to say that this response will be to both British Weightlifting & Weightlifting Scotland:

OAWLC would like to thank both BWL and WLS for their ongoing support in developing the sport of Weightlifting in Orkney, a county where the sport has never been available until OAWLC were established in 2018. We hope that if successful the club will stand much greater chances of adding to the growing sport of Weightlifitng, both nationally and internationally.

Kindest regards on behalf of the Orkney Amateur Weight Lifting Club committee.
